

COMMITMENT TO ACTION CERTIFICATE INFORMATION

Thank you for making your 2008 Commitment to Action.

To recognize the initiation of your efforts, we would like to send you a commitment certificate. This is a document that President Clinton will sign in acknowledgment of your Commitment to Action. It includes space for the signature of the committing organization's most senior representative, and, if applicable, for the primary commitment partners. All signatories listed on the certificate will receive an original copy.

In order to complete this process, we are requesting that you send us the language you would like to appear on the certificate as well as the name, title, and mailing address of the certificate's signatory. If there is more than one signatory, please provide the name, title, and mailing address of each additional signatory.

We would appreciate if you provided the requested information in the format below.

CERTIFICATE LANGUAGE

[Certificate Language follows the format "We commit to...Through..." *Examples of Certificate Language* are provided on the following page. Please type your certificate language in the box below.]

We Commit to the Development of a Mobile Payment Telco Platform

We will provide the secure and interoperable m-payments platform required to operate m-banking with the objective of leveraging our combined expertise to collaborate on industry requirements and maximize the opportunity for m-payments in disadvantaged areas of the world.

SIGNATORY INFORMATION

Please provide the Name, Title, Organization, and Mailing Address of each signatory.

Examples of Certificate Language

We commit to producing a fuel that is truly clean and green by reducing our production emissions to the minimum viable level

Through the implementation of self-imposed standards for the production of fuel ethanol from sugarcane, as well as the efficient use of sugarcane biomass.

We commit to the support of programs providing education in conflict affected contexts

Through funding the operation of organizations responding in areas such as Northern Uganda, Darfur and South Sudan.

We commit to improving the health and wellbeing of communities in Zambia, Malawi, Mozambique, and Swaziland

Through the implementation of projects to help address the current gap in clean water and sanitation.

We commit to providing India's rural poor with substantial economic and social opportunities

Through designing and implementing tailored micro-land ownership programs that will benefit up to two million landless families.

We commit to support education and natural preservation in the Dominican Republic

Through building schools in Cabrera and Rio San Juan, a local organic farm, and a 300-acre nature preserve on the Northern Coast.
